

Long Range Planning Report – Mike Hetherington

June 24, 2024

Meeting was held since the last regular board meeting with discussions on the following:

Grounds crew

Greens mower – 80K, on order still, not paid

Fairway mower – 90K in queue, likely next summer

Curling

Reverse Osmosis – 12K

New Scraper – 12 to 14K

Kitchen

Meat slicer- 2 to 3K

New windows are an eye sore, as mentioned by multiple customers. They are cloudy inside.

Pro Shop

Concrete in and around the cart shed – approx. \$33K

Bridge on hole #9?

Concrete on #4?
